

AGE VERIFICATION SURVEY

FOXMOOR HOMEOWNERS' ASSOCIATION, INC.

To meet the federal requirements for communities restricting occupancy to those 55 years of age and older*, Foxmoor must require an age verification survey be completed by each resident every two years. The surveys will be kept with HOA Board of Directors' records for a period of at least five (5) years. These surveys will remain confidential.

Please answer the following questions regarding home ownership and residency. Also, please allow the Board member to view your driver's license, passport, birth certificate, or any other documentation which contains current information about the age or birth of the possessor.
